Speaks its mind regarding classes

Classes are what most students have come to school for. They prepare a boy or girl for the problems each will face at college or in life. Still more important, they fit some for a life occupation in which every person is dependent. It is in these classes that a friendly relation starts between the students themselves, and also between the pupil and instructor. It is the knowledge we obtain in a classroom that enables us to live together, and carry on beneficial relations with one another. Without the gracious learning taught us by scholars this would be a dead place in which to live.

Speaks its mind regarding extra-curricular activities

This type of work or recreation, depending on the people taking part, is in the daily program of most high schools. Extra-curricular activity not only takes the time of students, but of many faculty members as well. To many young men and women, it is this activity which helps break the monotony which may come if one spends all his energy in the classroom. Then again, many students expend more time and energy on the outside activities than they do on school work. It is generally believed that extra-curricular work is essential to a modern, progressing high school, and acts as an educating factor just as the classroom does. Many worthwhile projects are sponsored by these clubs which benefit the community as well as the school. Our organizations are a vital part of our school.

Speaks its mind regarding athletics.

This phase of extra-curricular builds up the body more than the mind. So important and influential is it to the school, that it creates an interest all about the community. The clean sportsmanship and keen competition sports offer, throw a challenge to every boy and girl; those who meet the requirements of such a challenge have gained something no classroom, unfortunately, can give. Much expensive equipment and expert instructing are used in sports, so they should be appreciated by all students. Elkhart has been fortunate in the attitude taken by spectators. Students have given their full support to every sport; these not only benefit those participating, but also give much enjoyment and knowledge, too.

Speaks its mind on the faculty

"They're swell—most of them. Some of them carry the matter of discipline a little too far, and some of them don't seem to have kept up with us and the times, but on the whole they're okay."

"I wish we could get better acquainted with the faculty members. They seem so nice when you get to know them."

"I wish they were all interested in us personally; when you feel that a teacher thinks of you as an individual and cares what happens to you, you feel very different about her, or him."

"Some teachers expect too much; some, not enough. If you realize that after all, the teachers are here for a purpose, and that we are here for a purpose, you feel different about their assignments and the lessons."

"I wish all the teachers were as informal and friendly as many of them are. I like for teachers to speak to me, and to feel they're interested in all of us."

"All of our teachers seem to know their subjects; most of them make these subjects interesting."

"Our faculty seems to have the spirit of cooperation. We get the impression that they all work together willingly and cheerfully on school activities. As you think about the faculty, almost every member is busy with some share of our school life and they all seem to be doing these things gladly, as well as efficiently."

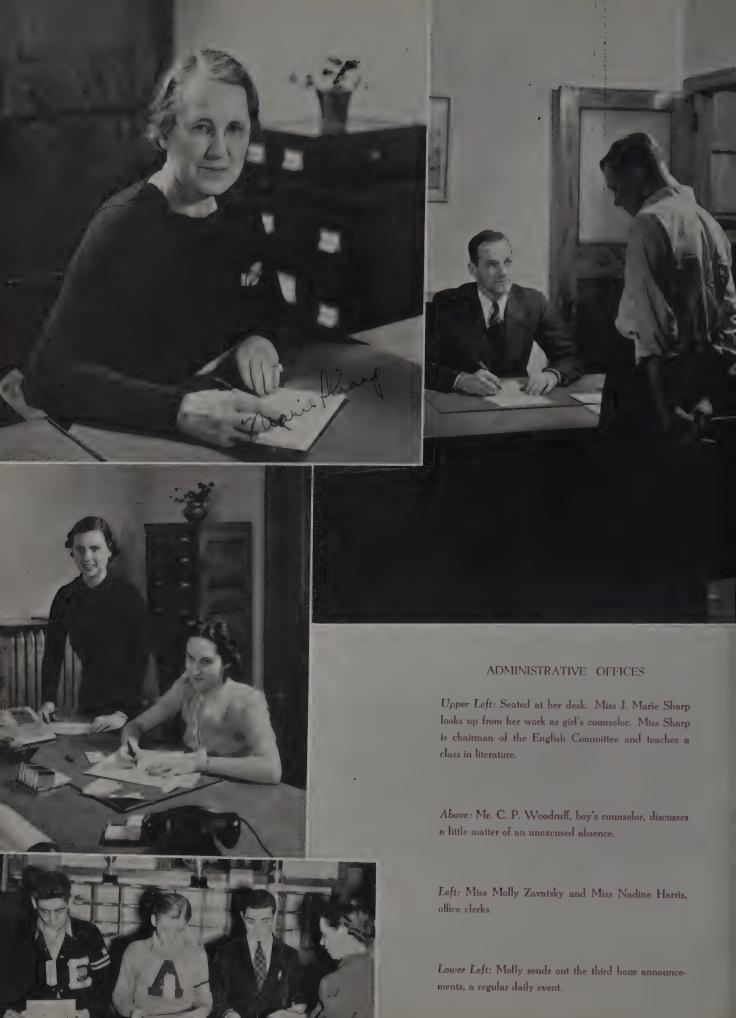

JOHN W. HOLDEMAN has been a capable principal of Elkhart High for the past nineteen years. During this time, he has been responsible for many outstanding events which have brought fame and fortune to the high school and city. A good principal is essential to a smooth, well-organized high school, and for many years Mr. Holdeman has filled that position satisfactorily.

President_____John Williams Vice-President____Ruth Ludwig Secretary____Pauline Mishler

Treasurer_____Bob Gilbert (Center) Mrs. Ada Sickels, sponsor of the January Class

When the January Class of '59 stepped into the swift-moving high school current, the following officers were elected: President, Walter Lerner; vice-president, Joanne Kimble; secretary, Doris Brewer; treasurer, John Williams, and social chairman, Harold Stott. Mrs. Ada Sickels was chosen as the sponsor. A class party was held February 17, 1936, in the cafeteria. Bob Styverson's orchestra furnished the music.

At a meeting of the second semester sophomores, Walter Lerner was re-elected president; Ruth Ludwig was elected vice-president; James Myers, secretary; John Williams, treasurer; and Joanne Watson, social chairman. A candy sale at the Elkhart-Sturgis game raised the financial standard of the class.

In February, 1937, John Williams became president; Winifred Glase, vice-president; Ruth Ludwig, secretary; Enid Whitmyer, treasurer; and Ward Hamlin, social chairman. Industrious Junior salesmen really showed their stuff, when they sold candy and ice cream at the Elkhart-Goshen game. The Sophomore Pennant was published April 16, 1937. A "Hill Billy" party held May 7, 1937, in the cafeteria proved to be a big success.

To finish the junior year John Williams held his former position, while Ruth Ludwig became vice-president; Bob Gilbert, secretary; Pauline Mishler,

treasurer; and Ward Hamlin, social chairman. Members of the ring and pin committee from this class were: John Williams, Winifred Glase, Walter Lerner, Joanne Kimble, and Donald Woldy. A candy sale was held at the Elkhart-Riley game. January 19, 1958, a joint party with the first-half Juniors was given.

After becoming dignified seniors (ahem), John Williams was again elected president; Winifred Glase, vice-president; Enid Whitmyer, secretary; Howdy Everett, treasurer; and Ward Hamlin, social chairman. Gene Hileman's orchestra played for the paupers at the "Pauper" party February 19, 1938. Budding newspaper men and women were given a chance, when the Junior Pennant was published March 11, 1958. The Junior play, New Fires, was given the same night. The high light of the year, the Junior-Senior Prom, was on the evening of May 28, 1938, at the South Shore Inn, Lake Wawasee.

The following officers were elected as the January Class of '39 came into the home stretch: President, John Williams; vice-president, Ruth Ludwig; secretary, Pauline Mishler; treasurer, Bob Gilbert; social chairman, Ward Hamlin. The class party was held December 10, 1938. That eventful day, Senior Day, finally came January 12, 1939. Every senior wore the class flowers, yellow roses and violets. Our Senior Play was presented on May 12, 1939.

President_____John Harman Vice-President____Josephine Sears Secretary_____Imogene Keene

Treasurer_____Donald Langle (Center) Miss Louise Winternitz, sponsor of the June Class.

Because they were much too busy learning about high school as freshmen, the members of the June Class of '39 met on October 5, 1937 to choose these sophomore leaders: John Harman, president; Gerald Rans, vice-president; Josephine Sears, secretary; Donald Langle, treasurer; and Rae Weaver, social chairman. Miss Winternitz was chosen as the class sponsor to guide the activities of the class until graduation. The student officers remained in charge for the entire sophomore year. Our first class party was held in the cafeteria on November 17, 1937.

On April 16, 1938, we invaded the Pennant office to put our Sophomore edition. During the week of April 23, a candy sale in the halls added quite a bit to the class treasury. Class members stuffed hay-seeds in their ears and pulled on their high top boots for the "Hill Billy" party which was held on May 7th.

Back again, tanned and healthy from summer vacation, we met in the fall of '38 to elect as class officers: John Harman, president; Josephine Sears, vice-president; Ann Finnell, secretary; Donald Langle, treasurer; and Rae Weaver, social chairman. At this time John Harman, Jean MacDonald, Jim Simons, Ann Finnell, and Betty Custer were named for the Ring and Pin Committee. Not long after this we sold candy at the Elkhart-Riley football game, to earn money for the treasury.

When last-half Juniors we elected the following officers: President, John Harman; vice-president, Josephine Sears; secretary, Tom Elliott; treasurer, Donald Langle; and social chairman, Glenn Mast. All the paupers in our class attended the "Paupers" party in the cafeteria February 19, 1938. The Junior Day came on March 11th. On that day we published the Pennant and almost burnt the house down when we gave the play, New Fires. The much-looked-forward-to Junior-Senior Prom was held May 28, 1938, at the South Shore Inn, Lake Wawasee. A "Colonial" theme was carried out in the decorations, names of dances, and even in the menu. Karl Weick's orchestra furnished the music.

John Harman was again elected president in the fall of '38. The other officers were: Josephine Sears, vice-president; Ray Winer, secretary; Donald Langle, treasurer; Rae Shake and Glenn Mast, social chairmen. The Annual staff was chosen early in September. We combined with the January seniors in having a Christmas party December 10, 1938.

To finish our senior year the following officers were elected: President, John Harman; vice-president, Josephine Sears; secretary, Imogene Keene; treasurer, Donald Langle; social chairmen, Rae Shake and Glenn Mast. "That Girl Patsy" was our senior play, which was given on May 12.

ACTIVITIES

The Art Club meets the first and third Tuesdays of every month after school.

The club went to Chicago Saturday, October 22 and visited the Art Institute, Field Museum, and the Aquarium; they also went on a trip to Indianapolis.

Aside from their trips and regular meetings, the club found time to have a very novel costume party at Jo Sears. All those present were dressed to represent advertisements.

ACTIVITIES

The topic for debate this year was: Resolved: The United States should establish an alliance with Great Britain.

In November, nineteen debaters and a few chaperons attended the Annual Debate Conference at Purdue. Later, the Educational Debate Tournament which was open to all Indiana schools was he In spite of the icy weather more than thirty schools were represented.

The debaters got off to a fine start by winning the county tournament. Success followed the zone and sectional competition, but they were finally defeated in the semi-finals.

Along with their serious activities they sold candy at the Rensselaer football game and a basketball game.

Meetings are usually held every two or three weeks in the classroom. The entertainment consists mainly of games and songs. At one meeting the students gave a play in French.

The French Club, together with the Latin Club, sold candy at a basketball game on January 13.

A St. Patrick's Day party was held at school. French games and songs were the major forms of entertainment and refreshments were enjoyed by all.

The Forum Club developed out of an interest in current problems. In the late spring of 1938, six or seven high school boys, with the help of Roy C. Bullington, former E.H.S. Civics instructor, formed an organization which they aptly named the Elkhart HighSchool Forum Club.

Membership in the club is open to every student of Elkhart High School. To be admitted as a member, however, each applicant must satisfactorily pass an examination to determine his or her knowledge of an interest in current affairs. The organization strives to encourage worthy citizenship.

This year the Latin Club joined the Junior Classical-League which is sponsored by the American Classical League.

Meetings are held at the High School once a month. At the October meeting, a play entitled "Dido and Aeneas" written by Christiana Smith was presented by the students. At the December meeting a debate, Resolved: "That Aeneas Was Justified In Leaving Dido" was presented by the students. A skit concerning a Roman marriage was written by Ralph Duckwall and presented at the February meeting by the students.

The Latin Club sold candy at the Michigan City and Goshen basketball games; also they sold homemade candy in the halls. With the money the Latin Club earned, they purchased a bust of Apollo and a Latin calendar.

Outstanding honor students received club scholarship from the class. For the first semester those receiving pins were Roetta Stealy and Ted McLaughlin.

The Rah! Rah! Club was very active this year, serving the school in many ways.

The club members ushered at the Christmas play and at the "Back to School Night", and helped as chairmen and timekeepers during the debate tournament held here January 14. They also aided in the "March of Dimes", the proceeds of which went toward the course of infantile paralysis. During the athletic season, the Rah! Rah! sponsored pep sessions and sold candy at the sectionals.

Aside from their duties, the girls had a dinner and theater party for the new members of the club. A fitting climax for the year was the annual party for the athletes which was held in the gym, May 13, 1939.

Characterized by their activities (as well as by their noise) the Fighting Fifty organization has long been known as a club that has a way of getting things done.

Their support of athletics was especially noted this year in their grand pep sessions. The members of the club who were not supporting the school by their performances on the football field and basketball floor were doing their bit by ushering at games.

A noticeable increase in the club's attendance was noted when the boys entertained the girls at a treasure hunt followed by a dance.

John's place was the scene of the annual stag banquet of the club on May 22.

The Hi-Y became known as a very ambitious club this year through its various activities.

By the middle of the first semester the Hi-Y boys could be seen proudly displaying their new sweaters.

During the first semester they sponsored a dime line, the proceeds of which were used for a party for the poor children; they also bought baskets of food for the needy. And last but not least, they bought a couple of pictures for the high school.

The Hi-Y earned money for the club through selling candy at the basketball games and by selling pencils and other novelties during the year.

The social activities of the club were ushered in by a Halloween party which was held at the Y.M.C.A. Next came the annual stag party which is always famous for its "feeds". A Senior farewell party wound up the social activities for the year.

ACTIVITIES

The Girl Reserves met every Wednesday after school at the Y.W.C.A. at which time many varied and interesting programs were presented.

Some of the main events of the year were the Photo party, the Faculty Tea, the Pa, Ma, and Me Banquet, and the Style Show. A "Sadie Hawkins" dance was held in the Y gym in April. And of course the G. R.'s sponsored the Y dances on Saturday nights throughout the year.

The G. R. conference was held in South Bend in February; the theme of the conference being "The Hoosier Girl: who is she? what does she do? what does she think?"

The last meeting of the club was the senior recognition service held in May.

Reserve Band

The Reserve Band, which is under the direction of Robert Welty, Associate Director of Instrumental music, acts as a "feeder" band. Members are taken from this band for the marching band and as substitutes in the concert band. Some freshman members of this band play in the Junior High School Concert Band which entered the contests for the first time this year, and placed in First Division at the State contest in Goshen, Saturday, May 6.

The Reserve Band also marched with the Regimental Band when they, together with the E. H. S. Marching Band, formed the outline of the State of Indiana at the Elkhart-Rensselaer football game.

The Reserve Band was started when Mr. Welty came to the Elkhart School System in the fall of 1936, and has made rapid improvement during the past three years.

The Glee Club is made up of boys and girls who are musically inclined.

The club is divided into three groups. They are: Mixed chorus, Girls Glee Club, and Boys Glee Club.

The mixed chorus is made up of seventy-four selected voices. They gave a concert December8, before a large audience, making an impressive picture in their blue robes with white collars. They also sang for the Central-High School Parent Teachers Meeting on January 12.

An Operetta "An Old Southern Custom" was given on Feb. 8 and 9 before a packed house. Bernadine Sullivan, Catherine Webster, Norma Jean Todd, Jack Weirich, Harold Lichtenberger, Walter Hemphill and Joe Shreiner handled the leads very well.

A party was held in October out at the Boy Scout Cabin.

At State Teachers Association, in South Bend, twenty-five members were selected to sing in the mixed chorus. Olaf Christianson, of Oberlin College, was the director.

Catherine Webster, Bernadine Sullivan, Harry Kaser, and James Fuller are the soloists. A boy's octet and two girl's sextets also give special programs when called upon, and the entire group sang several assembly programs.

Jhe Junior Class Presents Agatha's Aunt

Friday, March 10, the Junior class proudly exhibited their dramatic talent when "Agatha's Aunt" by Sidney Toler was presented after many weeks of hard practice. This romantic comedy is about a girl, Agatha Kent, who is so intent on making enough money to keep possession of the Oak Knolls estate, left to her by her great aunt Agatha, that she advertises for summer boarders, Finally a young New Yorker, Burton Forbes, who is temporarily blind from a recent illness, comes to the Kent place because he once visited there when he was a boy. Burton believes he is dealing with Agatha's great aunt, so Agatha decides to carry out the deception. Everything runs along smoothly until Ridgley Warren, a friend of Burton's, visits him. Agatha hastily packs off her imaginary great aunt and assumes the role of a cook. The fitting romantic climax comes when Burton suddenly recovers his sight and Agatha reveals herself.

Athletic. Heads

HARRISON BERKEY—Asst. Football and Basketball

His duties as assistant football coach give "Ketch" the responsibility of developing the line. Looking over the records we see he has done to mighty good job. His line coaching has developed many stars for E.H.S. Her also has charge of the freshmen and sophomore backetball teams.

Don Veller-Football

un his tourth year at, E.H.S. "Don" turned out his best team. Under his capable guidance, the '58 grid team won the N.I.H.S. conference championship for the first time in Elkhart's history. If he keeps up the good work, we will hear a lot more of him and his team's accomplishments.

RAYMOND SORENSON-Tennis

The only coach that is an alumni of E.H.S. "Hap" has turned out many fine teams as a coach here and has developed many one players. The accomplishments from his own playing have trought him. Jame as well as his tounis teams.

JOHN LONGFELLOW-Basketball

The only coach ever to develop teams to win conference honors for four consecutive years. His teams have always been winners, and judging from his achievements to date, we so the is one of the best basketball coache in the state.

HAROLD WISE-Golf

Coach Wise has had only one secson of competition with his part. As he is unconthusiastic content, himself, and is interested in the sport, under his capable coaching golf should really go places.

LESTER KERR-Baseball

Authough baseball has just started. Coach Kerr has a schedule lined up for conference competition. From all indications, it looks as if his teams will be up among the best of them.

CHELSEA C. BOONE—Track and Cross Country A coach identified with Elkhart High

A coach identified with Elkhart High School for a number of years. "Chelse" is also contilled by good teams and constant winners—usually some of his boys are in the final state competition and generally place high in the running.

Looking Over the Records

The 1958-59 athletic year was not one of the most successful it was the most successful. Basketball and football, the two major sports, he the best rears in their history.

CAPTAIN HOWDY ELLIOTT -Fullback

A hard-driving fullback who made it tough going for many opposing linemen. His ability to hit the line won him all-conference and third all-state team honors.

GLENN MAST-Tackle

Glenn was most valuable to the team for his punting ability. He proved his worth many times when he punted from behind his own goal line to get the team out of "danger".

JIM SIMONS—Guard

A hard fighter, Jim, played regular throughout the season. He was a big worry to many opponents because of his fast charging, hard blocking, and particularly, his terrific tackling.

Louie Kasamis—Guard

Small but mighty, this diminutive guard blocked the way for many a thrilling run. He was a very valuable lineman who came through at the right times.

Ken Hershberger-Halfback

"Kenny" although he didn't score so many points, was one of the team's leading ground gainers. He was a dependable blocking back always in there doing his part.

"Pudgy", one of the team's heaviest men, proved to be a valuable alternate at the tackle positions. With a little more experience he has a promising future in football.

Captain-Elect Earl "Bud" Nelson— Center

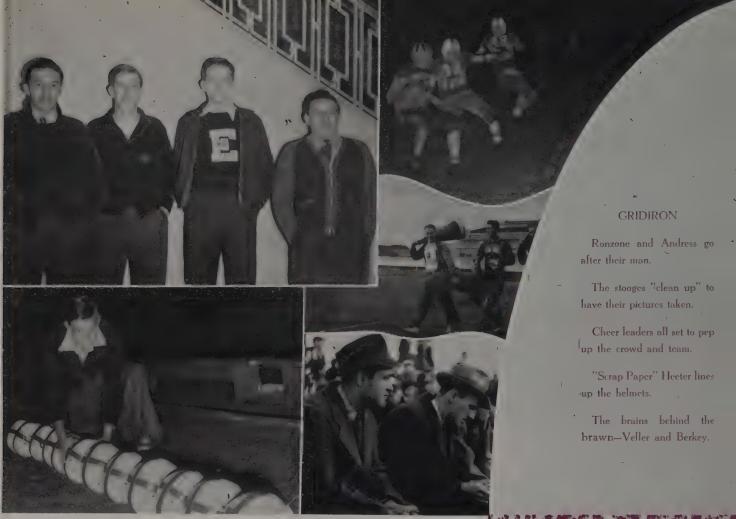

The team's choice for the 1940 captaincy. "Bud's" accurate passes from the pivot position, along with his able blocking ability, proved him worthy of the honor bestowed upon him by his teammates.

Max Andress— Quarterback

Understudy to "All-State" Swihart, Max should prove to be a leading factor in next year's team due to his fine performance when called upon this year.

MIKE PATANELLI-End

With a hard reputation to live up to, Mike showed much promise this year. From all indications he will do a good job of it next year.

Football Summary

ELKHART 32—FORT WAYNE 12

The Elkhart Blue Blazers opened their 1938 grid season with a convincing but costly victory over Fort Wayne Central. It was Elkhart all the way from start to finish. Cecil Bell, veteran end, was removed from the game as the result of a tackle shoulder which kept him out for a good share of the season.

ELKHART 30-BOWEN 0

Playing against an inexperienced Bowen team, Elkhart displayed a hard charging line which pushed the Bowen eleven all over the field. Ronzone, replacing the injured Capt. Elliott, scored two touchdowns, to lead the team in scoring. As in the previous game, Coach Veller used 38 men, thus giving the underclassmen experience.

ELKHART 30-LA PORTE 7

Elkhart started their bid for conference honors with a convincing win over La Porte. Again the score was divided among the players with no individual star. La Porte made their lone score against a substitute Elkhart team.

ELKHART 13—RILEY 12

In the feature game of the year Elkhart finally beat Riley, the team who for two years cheated them out of conference and state championships. The game, because of the rivalry, proved to be a hard and fierce battle. It was the last-minute stand made by the hard lighting Blazers and the untiring effort of Dale Swihart which proved the margin. With the score 13-7, two and one half minutes to go, Riley scored a touchdown. They needed the extra point to tie the score. Elkhart stopped the play, thereby winning the key game of the conference.

ELKHART 18-MISHAWAKA 0

Performing before a record crowd of approximately 8,500, the Blue Blazers gave a record performance against the much feared Mishawaka Cavemen. They accomplished the task so completely that they kept the Cavemen out of Elkhart territory. The outstanding factors in their win was the hard-charging Elkhart line, backed up by a determined back-

ELKHART 34-RENSSELAER 12

Elkhart's Blazers scored another runaway over the small Rensselaer, Indiana team. Displaying too much power for their opponents, the victory was evident at the halfway mark. Coach Veller again used three teams, giving experience to next year's men.

ELKHART 38-GOSHEN 0

For the third time in as many years the Blazers practically ran the Goshen Redskins from the gridiron. This year's score with the previous ones made the total: Elkhart 127—Goshen 0. This is particularly effective over the arch rivals, Goshen. A victory over Riley and a high score over the Goshen team makes a successful season for any Elkhart team.

ELKHART 33-MICHIGAN CITY 7

The Vellermen traveled to Michigan City and ran away with the game and also clinched the conference title. The right to play the Emerson team was theirs. Elkhart really played heads-up ball, in a form that would do any Eastern division team justice.

ELKHART 20-S. B. CENTRAL 0

Playing their last regular scheduled game, Elkhart's Blue Blazers swamped the highly praised S. B. Central Bears on their own field. Again the co-operation of line and backlield made the game the success it was. Elliott and Swihart turned in fine performances as did the rest of the team.

EMERSON 12-ELKHART 6*

Tasting defeat for the first time this season, the hard fighting Blue Blazers went down before the Emerson Tornados 12-6. Never stopping until the game was ended, the Blue's backfield tried again and again to penetrate the forward walls of Emerson but were stopped with but one touchdown. Glenn Mast ended his high school career of punting with none of his punts being blocked. This defeat lost the Blazers the mythical championship of Indiana.

At the end of 1938 grid season, Elkhart's Blue Blazers were the champions of the Eastern division N.I.H.S. conference. By accomplishing this, they won the right to play Emerson Gary, the western champs, for the championship of Northern Indiana.

*This game was later forfeited to Elkhart by Mr. Spalding, Principal of Emerson, due to his discovery that one of the players used had passed his twentieth birthday. Score: Elkhart 1—Emerson 0.

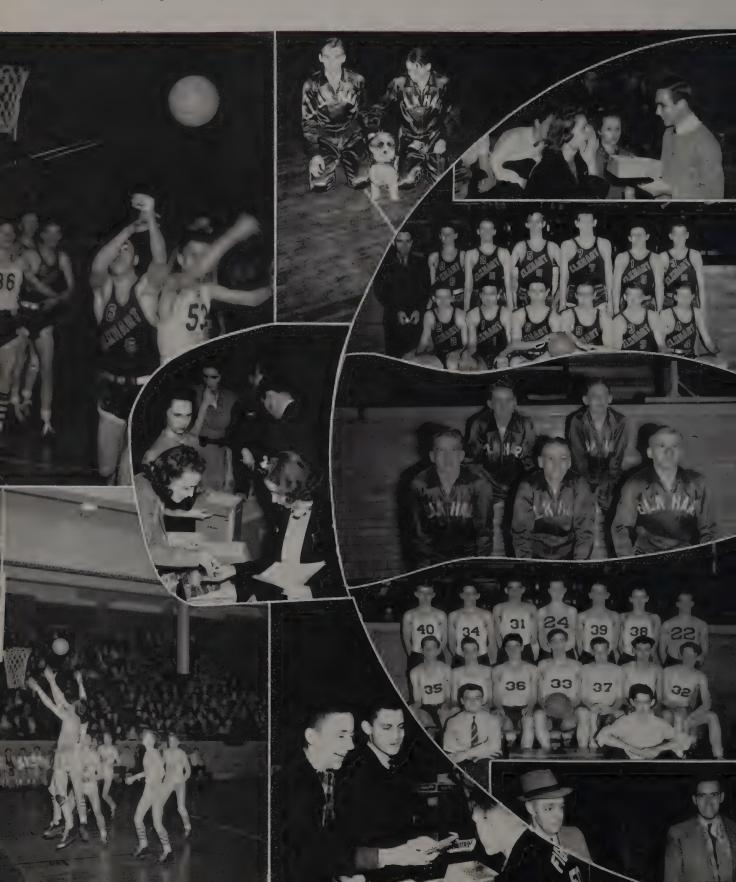

This forfeiture automatically made Elkhart Northern Indiana Conference Champions. This is the first time in the history of Elkhart High School that we have received this title.

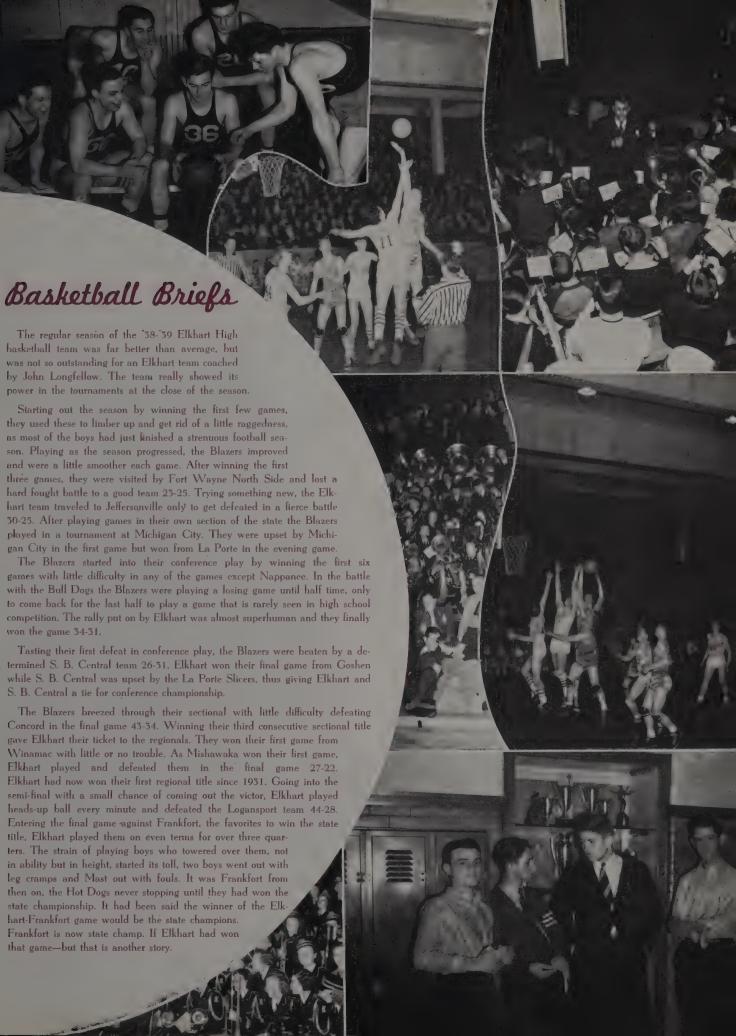

For the fourth year under the coaching of Veller and Berkey, the Blue Blazers finished a very successful season. The team this year had the most successful year of the four. Each year Veller and Berkey have progressed nearer and nearer to their goal—a state championship. Maybe next year; only time will tell.

CAPTAIN DALE SWIHART-Guard

"Swig" has been a Blue Blazer regular for three years, and with this experience "Swig" makes a specialty of breaking up opponent's set plays. He was an all around player and well deserved the captaincy of this great team.

WARD HAMLIN-Guard

"Frig", the team's dead-eye and most accurate passer, received many deserving honors. He was Elkhart's first all-state basketball player for over twenty years; he was voted the team's most valuable player and received the plaque for the highest percentage of free throws made.

Howdy Elliott-Center

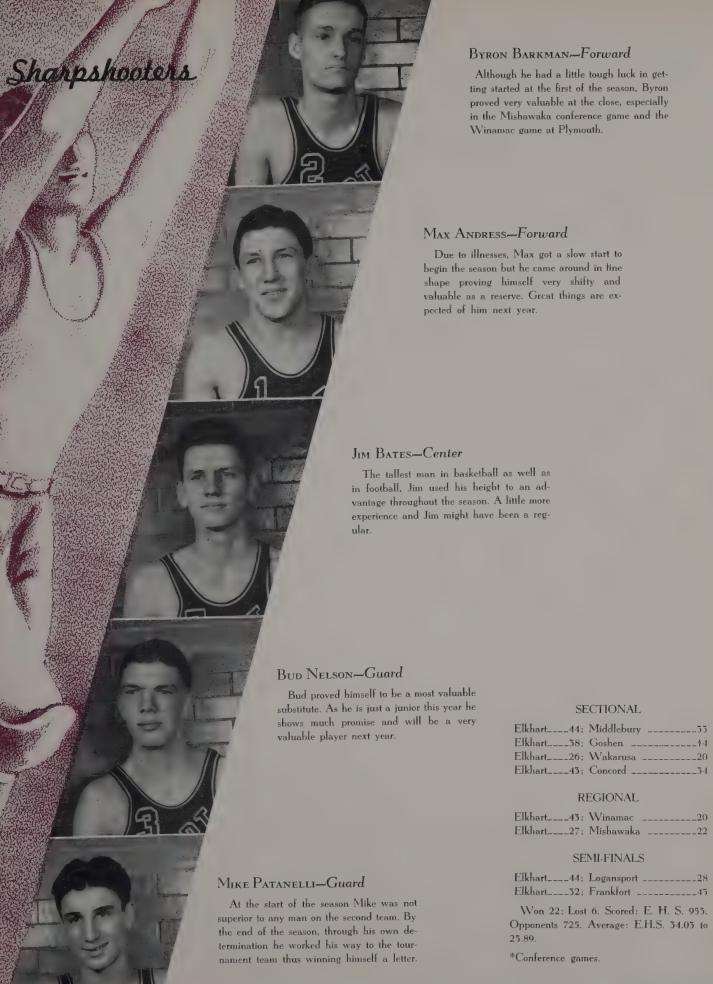

Although not the team's tallest man, Howdy was the best rebounder. His rebounding off of both baskets saved many a game. Once Howdy got going, it was hard to stop him.

CHUCK EGER-Forward

Although Chuck suffered an ankle injury three weeks before tourney time, he recovered in time to prove very valuable during the tournaments. His specialty was driving in under the basket.

GLENN MAST-Forward

Leading the team in scoring, "Gable" was not only good on offense but also was one of the team's best defensive men. He was the team's steadiest player and came through at the right times.

Racqueteers

Instead of having many conference games during the season as in previous years, the Northern Indiana Tennis Conference held a tournament on Saturday, September 24th at Gary. The singles were divided into I, II, and III flights. One doubles team from each school also competed. The results of Elkhart team members are as follows:

- Flight I-Fawcett lost to Gardner of Whiting-8-6; 6-1.
- Flight II—Grove defeated Link of La Porte—2-6; 6-2; 6-3. Grove lost to Baughman of S. B. Central—8-6; 6-2.
- Flight III—Harman defeated Anderson of Lew Wallace—6-4; 6-0. Harman lost to Crammer of Hammond—6-0; 6-3.

Doubles-Jordan and Myers lost to the S. R. Riley doubles team-7-5; 6-4.

Boonemen

The Cross Country squad of "38" completed the most successful season that any team has enjoyed for a number of years. They placed third in the Northern Indiana conference meet, and fifth in the state which is a very good showing considering the large number of teams entered in both of these meets. Dick Darr, the team's number one man made a very good showing as he won a position on the All-State team. The first All-State Cross Country man in the history of the school. As the first six men are seniors, the team will be made up of inexperienced men next year, but Coach Boone is always capable of developing new material.

Wise-Men

Golf is a comparatively new sport in our high school, being introduced in the spring of '38. At that time Elkhart played two matches with Mishawaka, winning them both. Entering the conference meet, Elkhart tied for fourth place. A very good showing for the first year of the sport. John Williams, the No. 1 man, placed second low in the tournament. Prospects for this year look pretty good, with a number of the veterans returning.

Blue Streaks

The "58" Blue Streaks finished a fairly successful season of seven wins and two losses in regular meets. They placed fifth in the conference, won the sectional, and ended the season by finishing twelfth in the state.

New records were set by Captain Dale Swihart, also high point man, Ray Courtney and Harry Stock. Dale and Ray tied for a new Rice Field record for the 200 yard low hurdles. Ray also set a new mark for the 200 low hurdles at the Riley S. B. Field.

Harry Stock, the third record breaker, set a new mark for the 880 yard run at Kiwanis Field. La-Porte; he set a new record for the same event at Rice Field. The previous all-time record for Rice Field had been held by Don Lash, now nationally-known distance star.

1939 Baseball Summary

Since this is the first year for baseball, and as the team plays quite late in the spring, results of their games are unavailable. However, it can be said without these facts, that this first year of competition should bring out the fine points of Elkhart's baseball squad which promises to be one of the best in this section. Under Coach Lester Kerr, the boys have improved considerably, until the team is strong in every position. The following is the schedule for this year's team:

LEN FINK-End

A good pass receiver and a good defense man, who has had the necessary experience, Len will prove to be a help to Don Veller's Blue Blazer team of next year.

RAY TROUP—Guard

Next year Ray will have the opportunity, for which he has been waiting, to turn in the fine performance of which we think him capable.

BOB RIBLET-Guard

Bob, lacking in experience, played quite a few games this year. With this experience we should be hearing a lot about him in the future.

George Terlep-Halfback

With two more seasons to develop his remarkable passing ability, George should be a big asset to the Blazers in the future along with his offense and defense ability.

CARL REMMELL—Guard

A tough boy handicapped this year by injuries, Carl showed much promise this year. We're counting on a lot from him next year.

Stan Warner-Halfback

One of our two freshman letter winners this year, Stan will be an outstanding player in the future if he continues the good work.

Bob Brown—Halfback

Bob was a substitute this year. With a little work on his offensive running, which is aided by the fact that he is a dash man, he shows good prospects for next year's team.

Ernie Glasgow-Fullback

The other freshman letter winner, Ernie scored points for the Blazers this year to prove his offense ability. He also has shown very good defense ability which should make him valuable in the future.

Smart Young Things
Choose Fashions
at Ziesel's

How you young things get around! In your busy and exciting lives you need clothes... RIGHT clothes, and Ziesel's have them for you. They're in the know... your dates are heavy... your allowance light... you want fashions with "yumph". You'll agree that Ziesel's summer togs were designed to make you the smoothest of the smoothies... and the prices so modest, Dad will "sign the check" with a smile.

CA Life Graduation Gift

It is a problem knowing what to give the young graduate. Why not a gift that will grow with the years? Inquire about the plans created for young people by the Metropolitan. Their features will appeal to you and to the young graduates.

Congratulations Class of '39!

Good Luck, Success and Happiness to every one of you.

You're a fine class. You've shown a fine spirit. Elkhart needs—America needs—more of the same enthusiasm, stick-to-it-iveness and pluck you have shown in completing, successfully, your High School career.

We've been a little lonesome for you out in our new laboratories and we hope you've missed us just a little since we left the Franklin Street Laboratories.

By the way, have you seen our new building? Come out and look it over; then perhaps you'll understand why Miles' medicines are sold all over the world—and why Alka-Seltzer is in greater demand than any other preparation in the drug stores of America.
